

## Glen Affric Brewery Wins 6 Medals at The European Beer Challenge 2021

Glen Affric Brewery is very pleased to announce that we've won 6 medals at the 2021 European Beer Challenge, including 4 Gold medals:

- **Highland Suntan** - Gold (Standard Pale Ale / Bitter)
- **Forres Haze** - Gold (New England IPA)
- **Loch & Load** - Gold (German Pilsener)
- **Rutting Stag** - Gold (American Amber Ale)
- **I Can't Believe It's NOT-Ella** - Silver (Chocolate)
- **Tart An Typhoon** - Bronze (Fruit)

We pride ourselves on being a world-class brewery and the addition of these 6 awards to our existing portfolio of awards (45 awards total) continues to solidify our position in the industry as a leader in world-class beers at affordable prices, including World's Best Lager (Micro Variation, 2019) & World's Best Pale Ale (Highland Suntan, 2020)

We're absolutely chuffed with these results, especially with newcomer **Forres Haze** only joining our core range in January and already picking up a Gold medal for such a prestigious award as the European Beer Challenge shows the dedication we have put into making it an award-winning beer.

Our 6 flagship beers (listed above) now have a total of 21 medals between them, in our versatile core range portfolio. Showcasing that we are truly capable of producing great beer, regardless of style.

A huge congratulations are in order to our entire production and packaging team for their stellar efforts in producing outstanding beers, consistently year on year!
